### APPLICATION

#### Stir well before use

Surfaces must be clean, dry and free from foreign objects and substances.

Chalk Paint of Mondo bello is directly applied to the surface of 1 or 2 coats depending on the desired effect. No sanding or priming of the surface is required.

**For dichromate:** Apply two coats of different color. When the surface is dry, locally scrub the final color with sandpaper to the points you want so that the previous shade appears and the surface gets an impressive vintage or shabby chic look. Apply with wax Mondo bello or water-based varnish TETRAWOOD of TETRALUX for different obsolete results and extra protection.

#### Product for artistic use.
