### APPLICATION

#### Stir well before use

Surfaces must be clean, dry and free from foreign objects and substances.

**1<sup>st</sup> layer :** One layer of VELUTTO in a very lighter or darker shade than the one we chose

**2<sup>nd</sup> layer:** After full drying we apply CELLESTE using a brush or patron with crosswise movements and a roll for large surfaces. Before drying, create the final effect, with the special spatula, with irregularly cut spatula, preferably until the desired effect.
