CHALK VARNISH

DESCRIPTION

Mondo bello's CHALK VARNISH is a water-based, odorless acrylic based varnish for chalk paint. Ideal for the protection and sealing of surfaces painted with CHALK PAINT of TETRALUX. It strengthens and highlights the tone of the chalk paint while it is easy to apply, it's non yellowing and dries quickly. Protects against moisture, daily damage and it can be washed with soap and water. It has excellent spreading and great durability without peeling or popping creating a wonderful gloss, satin or matte finish.
