APPLICATION

Stir well before use

Surfaces must be clean, dry and free from foreign objects and substances.

1st layer: Apply a layer of VELLUTO in any desired shade.

2nd layer: a. Apply a layer of SABBIOSO with a synthetic brush, making crossing moves, leaving unevenly the material on the surface.

b. "Comb" the surface with the brush without material, vertical-horizontal and oblique until the desired result.

c. For extra protection apply a water based glossy varnish MONDO BELLO.
